Sub: Non achievement of Special Milestone

Dear Sir,

This has reference to the decisions of SLC(LT) meeting for Power held on 08.04.2010 and further directives received from CIL vide letter No. CIL/CMO/47252(New Pol)/283 dated 19.05.2010 and No. CIL/CMO/47252(New Pol)/289 dated 20.05.2010 on the above subject.

Appended herewith is a list of Power Utilities who were issued LOAs by SECL consequent upon clearance granted in SLC(LT) dated 12.11.2008 and did not achieve special milestones or the milestones submitted were not found in order.

The relevant extracts of the SLC (LT) decisions in the meeting held on 08.04.2010 regarding such cases are reproduced below:

".....there are some projects who have achieved financial closure but not obtained environmental clearance. The Committee felt that obtaining environmental clearance involves considerable time and therefore such cases where financial closure has been achieved but environmental clearance is yet to be obtained, can be considered for extension of time of three months from the date of issue of minutes to achieve the same. However, achievement of financial closure within stipulated time was required for commissioning of the project during 11th Plan.

The Committee after discussions recommended that CIL/concerned coal company within 15 days of issue of minutes, issue a notice to the project developers, who did not achieve financial closure, seeking a response as to why the LOA issued to them should not be cancelled, as they have failed to achieve financial closure within 6 months of issue of LOA as stipulated in the terms and conditions of LOA. The developer should be given 15 days time to respond, along with supporting documents.....".

In pursuance to above, respective units as per list enclosed are requested to submit their response within 15 days from the date of issue of this notice.

Yours faithfully,

Encl: As above.
